

Dear partners,

We would like to inform that owing to some of customers need to track down the Notice record and Sales Material, therefore we create the **“Notice”** & **“Sales Material”** web page for your reference.

Also we have added password function on **“Notice”** & **“sales material”** web page to protect our data can only be accessed by authorized partners as below:

“Notice” web page password: **loover626** ,and **“sales material”** web page password : **loover133**

You can first link to <http://www.loover.com.tw/en/>, then click **“Notice”** or **“sales material”** on Menu and input password on log-in page, next press **“Submit”** button for entering into the **“Notice”** or **“sales material”** web page.

Our system will memorize your computer info, therefore you can access **“Notice”** or **“sales material”** web page and input password for the first time, then there is no need to input password when you log into the **“Notice”** or **“sales material”** web page again.

Thank you for your kind attention.
